*If your payment due date falls on a day which does not occur in a given month, your payment is due on the last day of that month.
**If the Principal Loan Amount is not paid in full by the Final Payment Due Date, interest will continue to accrue on the unpaid Principal

YOUR PROMISE TO PAY AND THE TERMS OF REPAYMENT. In consideration of the Amount Given to you Directly and to repay your loan, you promise to pay the Principal Amount of Loan shown above together with Interest at the Agreed Rate of Interest Per Year. You agree to pay this sum to us at our office in installments each month according to the terms of repayment shown above. The Principal Amount of Loan is the actual amount of your loan and includes the Amount Financed (\$ 8,775.00) plus the Administrative Fee (\$ 438.75). The final installment is equal in any case to the unpaid Principal Amount of Loan plus any unpaid Interest. The Administrative Fee is withheld from the proceeds of your loan, fully earned on the date of your loan and must be repaid to satisfy the loan. A payment is considered made on the date we receive it. Each payment will be applied first to all interest due as of the date of payment, second to the unpaid Principal Amount of Loan, and then to any fees owing (other than the Administrative Fee). Payment in any amount may be made in advance at any time.

PREPAYMENT. You can prepay your loan at any time without incurring any pre payment penalty.

INTEREST RATE CHARGE. Interest is payable on your loan at the Agreed Rate of Interest Per Year shown above and is calculated using the simple interest method. Failure to pay any installment by the stated due date will result in the accrual of additional interest and may affect the amount of your final installment. The monthly rate of interest is one-twelfth of this yearly rate. Interest will continue to accrue until the Principal Amount of Loan is paid in full.

LATE CHARGE. If you are more than 15 days late in paying any part of an installment, you promise to pay a late charge equal to 5% of the scheduled monthly payment.

DEFAULT - ENTIRE BALANCE DUE. If you fail to pay an installment on time or if you violate the other terms of this Loan Agreement, you will be in default. When that happens, you agree that, without us giving you advance notice, we can require you to pay, in addition to any installment due, any accrued interest, late charges, and/or the outstanding balance of this Loan Agreement in full immediately (including any unpaid Interest). We can use any remedies available to us under the law. If we must sue you in a judicial proceeding, you agree that the Agreed Rate of Interest Per Year shown above will continue to accrue before judgment and also after judgment until payment. However, if the term scheduled for payment under this Loan Agree-

ment has expired, you agree that the remaining balance will accrue interest at the Agreed Rate of Interest Per Year shown above.

RETURN CHECK CHARGE. If a check or other instrument used to make payment on your loan is not honored because of insufficient funds or for any other reason (except an error by us), you agree to pay us a \$40.00 charge.

COLLECTION COSTS. If we refer this Loan Agreement to an attorney after you default, you agree to pay reasonable attorneys' fees incurred by us. You also agree to pay all reasonable costs, charges and expenses incurred or sustained by us while enforcing any security interest we may have in connection with this Loan Agreement.

OTHER RIGHTS. You agree that any delay or failure to enforce our rights under this Loan Agreement does not prevent us from enforcing any such rights at a later time.

ADDITIONAL SIGNERS. If you sign this Loan Agreement as a Co-Signer, you agree to remain responsible for this loan even if we fail to notify you that it has not been paid. You also agree to remain responsible if we change the terms of payment or release any security without notifying you.

AUTHORIZATION TO INVESTIGATE CREDIT INFORMATION, OBTAIN CREDIT REPORTS AND DISCLOSE CREDIT INFORMATION. You authorize us to investigate your credit, employment, and income records and to verify your credit references. You authorize us to obtain credit reports on you in connection with your application, in connection with any review, enhancement or collection of your account and for marketing purposes. You instruct any credit bureau to provide credit reports for these purposes to us or to any person or entity to whom we assign this agreement. You authorize us to disclose information regarding your loan to other creditors and credit reporting agencies.

AUTHORIZATION TO USE PERSONAL CONTACT INFORMATION, By providing your contact information above, borrower explicitly acknowledges and consents that Island Finance may contact borrower to any of the phone numbers or addresses provided above in any manner for anything related to his/her account. It will be borrower's responsibility to update the contact information for any changes in his/her phone numbers or addresses disclosed above and as such borrower waives any course of action, claim and/or responsibility and releases Island Finance for any disclosure of borrower's account information to third persons due to a notification sent to an erroneous address or by way of call due to the fault of borrower not providing updated contact information.
